

Beyond The Line August 2012

Two new opportunities for those who missed out on a place in Beyond the Line so far...

Dubbo Area 27-31 August

For primary and secondary teacher education students in final year
To apply go to the link below:

https://www.surveymonkey.com/s/2012_BTL_UWS_to_Dubbo_27_31_August

Please note:

This trip is during teaching time (lectures and tutorials). Therefore:

- * Do not use this trip as an excuse to miss more than the allowable number of lectures or tutorials. You will be given no consideration if you go on the trip and have missed too many classes.
- * If this trip clashes with an exam you should give the exam priority. Under no circumstances can you request a supplementary exam or other arrangement for participating on the trip.
- * For those who participate, this trip can count for 3 days of Professional Experience (Prac)
- * You cannot have two Beyond the Line trips, so if you are already accepted into a trip you cannot go on this one. You also cannot get out of one to get into this one as this creates problems with those who organise the trip as well as the schools hosting.

Closing dates?

Apply RIGHT NOW if you are interested and can attend (ie no compulsory classes or exams)
The applications will close when the spaces fill and students from other universities are also applying, so first in, best dressed!

For those who missed the first time here is another chance!
